Linux Exercise: Master of Domains

The places.txt file contains information on visits to web pages.

Explore the file, its format and the data it contains.

Find out which are the most popular domains and how many times each one was visited (output the top 10 domains).

israeltechallenge.com | 🅕 #IsraelTechChallenge

Israel Tech Challenge is a partnership between The Jewish Agency for Israel, the National Cyber Bureau
of the Prime Minister's Office of the State of Israel, and private and corporate donors and partners.
